

If You Want My Love

Cheap Trick

Ahh

AhhIf you want my love, you got it

When you need my love, you got it

I won't hide it

I won't throw your love away, ohIf you want my love, you got it

When you need my love, you got it

I won't hide it

I won't throw your love away, ohYes, I thought you were a mystery girl

A special girl in this crazy old world

You couldn't see me when I

Laid eyes on youLonely is only a place

You don't know what it's like

You can't fight it

It's a hole in my heart, in my heartIf you want my love, you got it

When you need my love, you got it

I won't hide it

I won't throw your love away, ohYou hold the secrets of love in this world

I'm hypnotized by your every word

A special face, a special voice

A special smile in my life'Cause lonely is only a place

You don't know what it's like

You can't fight it

It's a hole in my heart, in my heartIf you want my love, you got it

When you need my love, you got it

I won't hide it

I won't throw your love away, ohIf you want my love, you got it

When you need my love, you got it

I won't hide it

I won't throw your love away, ohIf you want my love, you got it

When you need my love, you got it

You won't hide it

You won't throw your love away, oh
