Romeo Is Bleeding

Hall & Oates

You made me love you, too blind to see yeah
Tomorrow comes, Casanova might bleed
Having so much
How could I be so far wrong oh?
l've always known, pain is part of pleasure
For someone else
Hoping it would never cloud my soul
Taking me so long to fall, oh no
Romeo is bleeding, can't hold out forever
Romeo is bleeding, hurting for himself
Romeo is bleeding, no pulling it together
Romeo is bleeding, why you die for love?
You can't imagine what you don't know, yeah
So here I am, how'd I get so much in love?
Led by my heart
And addicted to the thrill, oh
You come around say you lost your love light
l'm breakin' down
Payin' for my past life
Found out by all the pain that I feel, oh no
Romeo is bleeding, can't hold out forever

Romeo is bleeding, hurting for himself
Romeo is bleeding, no pulling it together
Romeo is bleeding, why you die for love?
Ohh love
I won't die
But I better find a way to be healed
Right now, oh
Romeo is bleeding, can't hold out forever
Romeo is bleeding, hurting for himself
Romeo is bleeding, no pulling it together
Romeo is bleeding, why you die for love?
Why you die, why you die for love?
Don't ever die for love
Don't ever die for love, oh hurtin' out
Romeo is bleeding, no pulling it together
Romeo is bleeding
Why you die, why you die?

Why you die, why you die?
Die, die, die
Oh, oh, oh, oh
