

Everything Sucks (When You're Gone) [Radio Edit]

[MxPx](#)

All I ever needed
Was to eat popcorn with you
Come on over, watch the late show
Stay up talking until two Today's the day you're leaving
And tomorrow you'll be gone
You're in my heart and on my mind
I will bring you along Everything sucks when you're gone
Everything sucks when you're gone A dream of our reunion
Makes me crazy just to think
How so very far away you are
My hope begins to sink Today's the day you're leaving
And tomorrow you'll be gone
You're in my heart and on my mind
I will bring you along Everything sucks when you're gone
Everything sucks when you're gone Yeah
C'mon It's not okay
I've baked dinner here for two
It's not okay
I've got candles lit for you It's not okay
I've got you're favorite records out
And it's not okay
You should have let it be
And ran after me Today's the day you're leaving
Tomorrow you'll be gone
You're in my heart and on my mind
I will bring you along Everything sucks when you're gone
I want you, I need you
Everything sucks when you're gone
I want you, I need you Everything sucks when you're gone
I want you, I need you
Everything sucks when you're gone
