

# Live High

Jason Mraz

I try to picture a girl  
Through a looking glass  
See her as a carbon atom  
See her eyes and stare back at them  
See that girl  
As her own new world  
Though a home is on the surface, she is still a universe

Glory God, oh God is peeking through the blinds  
Are we all here standing naked  
Taking guesses at the actual date and time  
Oh my, justifying reasons why  
Is an absolutely insane resolution to live by

Live high  
Live mighty  
Live righteously  
Takin it easy  
Live high, live mighty  
Live righteously

Try to picture the man  
To always have an open hand  
And see him as a giving tree  
See him as matter  
Matter fact he's not a beast  
No not the devil either  
Always a good deed doer  
And it's laughter that we're making after all

The call of the wild is still an ordination why  
And the order of the primates  
All our politics are too late  
Oh my, the congregation in my mind  
Is this assembly singing of gratitude  
Practicing their lovin for you

Live high  
Live mighty  
Live righteously

Takin it easy  
Live high, live mighty  
Oh live righteously

Take it all,  
And just take it easy  
And celebrate the malleable reality  
You see nothing is ever as it seems  
Yeah this life is but a dream

Lift me up to the almighty  
Raise your hands and start acknowledging

Live high, live high  
Live mighty, mighty, mighty,  
Oh live righteously  
Takin it easy  
Live high, live mighty  
Oh live righteously  
Just take, just just taking it easy  
Live high  
Oh live mighty, mighty,  
Oh live righteously  
Take it all, just take it, take it easy  
See live high,  
Oh live righteously  
Just take it easy
