

I'll Be Your Lover Too

Robert Pattinson

I'll be your man
I'll understand
I'll do my best to take
good care of you You'll be my queen
I'll be your king
and I'll be your lover too
yes I will Derry down green
color of my dream
a dream that daily
is coming true oooh
and when the day is through
I will come to you
and take you on
your many charms you'll be my queen
I'll be your king
and I'll be your lover too
