

Border

Years & Years

Stutter your moves
How you wanna play
It's all so easy
When you're the one who loves to pay Do I remember what I was taught?
Am I gonna catch you?
Is it bright enough to see all we are
I'll bring you another rush x3 Ohh who we are and what we do
Ohh makes me want it makes me move
Ohh could I be the warrior
Ohh do you feel it, does it hurt? (Chorus x2)
I'm going to the border
My body will be stronger
My heart it will start to shine
And I will be alright She find your heart, tell me whose to blame
Are you feeling guilty?
Cause every corner is filled with shame Do you require me?
To let you know you made it through
And it's getting lighter
You won't get lost if you never lose Ohh who we are and what we do
Ohh makes me want it makes me move
Ohh could I be the warrior
Ohh do you feel it, does it hurt? (Chorus x2)
I'm going to the border
My body will be stronger
My heart it will start to shine
And I will be alright Ohhh, ohhh, ohhh, ohhhhhhhh
Ohhh, ohhh, ohhh, ohhhhhhhh (Chorus x3)
I'm going to the border
My body will be stronger
My heart it will start to shine
And I will be alright
