

Higher

Heidi Montag

Here I go now
I'm keeping my eyes open
Don't you let me down
Nothing can stop me now
I know you hear this sound Go ahead and let it out
Don't be afraid to fly
Fly high, reaches past the sky Here we go, let it flow
Spread your wings and fly
You never known till you let it go
Going up, up, up, up I'm only going higher, higher
I'm gonna take it higher, higher
No time for looking back
I dream and that's a fact
I'm only going higher higher, higher I feel the energy
I'm breaking the boundaries
There's nothing next to me I look up and obviously
It's like I found the lease
They're searching for the me
Looks like I finally found the key
Let me open the door for you Here we go let it flow
Spread your wings and fly
(Fly)
You never known till you let it go
Going up, up, up, up I'm only going higher, higher
I'm gonna take it higher, higher
No time for looking back
I dream and that's a fact
I'm only going higher, higher, higher Higher, higher, higher, higher
Higher, higher, higher, higher I'm only going higher, higher
I'm gonna take it higher, higher
No time for looking back
I dream and that's a fact
I'm only going higher, higher, higher I'm only going higher, higher
I'm gonna take it higher, higher
No time for looking back
I dream and that's a fact
I'm only going higher, higher, higher Feel the wind on your face
We frolic or race
We can go at your pace, pace

The power lifted me so I set me freeAm I dreaming?
