

# Proud

## Jared Evan

Growing up, I remember when  
I used to be alone in the world I was living in  
But now I'm on the road  
A different city every day and the whole world's listening  
I'd say my victories prove it  
And they can never take it from me  
All my enemies slow down  
'Cause you know you'll never catch me  
Do it all for my people  
'Cause they're the ones that give me pride  
I think feel there is life for my people  
Let's have a toast, just you and I  
Because I'm proud I turned my life upside down  
Said there's no one else with a reason to doubt  
Say what you like 'cause I don't hear it all  
I'm alright, I'm doing fine  
Just celebrating, be proud  
Don't be mad 'cus I'm doing things you just can't My the times have changed  
I never had the attention but now it gets paid  
Took a long time for people to mention my name  
But what the fuck is underrated when you're under the radar?  
You hearin what I'm sayin today  
I learned a whole lot of shit from the place that I came  
Now I think back when I was up in the fader  
Before I had the deal, before I became major  
And that's my life, it's all in a moment  
Before I met Ill Mind, before I exploded  
Said I was just a kid looking for a reason to focus  
Before I met Ill Mind, before I exploded  
And that's why I...  
Do it all for my people  
'Cause they're the ones that give me pride  
I think feel there is life for my people  
Let's have a toast, just you and I  
Because I'm proud I turned my life upside down  
Said there's no one else with a reason to doubt  
Say what you like 'cause I don't hear it all  
I'm alright, I'm doing fine  
Just celebrating, be proud

Don't be mad 'cus I'm doing things you just can't They just wanna hate me  
No, they won't congratulate me, yea  
There ain't no say you're me  
Even if they're tryin to imitate me  
But I... I don't pay too much mind because I'm proud  
And I sing it out loud  
Because I'm proud I turned my life upside down  
Said there's no one else with a reason to doubt  
Say what you like 'cause I don't hear it all  
I'm alright, I'm doing fine  
Just celebrating, be proud

Don't be mad 'cus I'm doing things you just can't
