

# Jars

## Chevelle

Hold onto chance  
Lest we bleed ourselves  
Save for the pets  
They're the loneliest Put into jars  
We'll save this earth  
Put into jars  
We'll save the earth We can't both become the same  
Pawn that's made to fall  
Oil that tastes like blood  
Stole the summer scent  
From me to you  
You're stabbing me through you  
You're stabbing you through him  
And betting most of  
This world  
We'll add enough of the world Steal from yourselves  
It never felt so good  
And feed from their hand's  
Confuse by opposites Put into jars  
We'll save this earth  
Put into jars  
Keep safe this earth We can't both become the same  
Pawn that's made to fall  
Oil that tastes like blood  
Stole the summer scent  
From me to you  
You're stabbing me through you  
You're stabbing you through him  
And betting most of  
This world  
We'll add enough of the world  
This world  
We'll add enough of the world Feeling manic for a day  
Depends on the trends  
Depends on the surface  
If the sun never sets We can't both become the same  
Pawn that's made to fall  
Oil that tastes like blood  
Stole the summer scent

From me to you  
You're stabbing me through you  
You're stabbing you through him  
And betting most of  
This world  
We'll add enough of the world  
Is the main thing you'll shout  
Till the bitter endInto jars
