

Loose Cannon

Killing Joke

This is the way
Reprogrammed
This is the way
Unload
This is the way
Play my drum
This is the stick
Download
This is the day
Take orders
This is the life
Don't comply
This is the end of nations' borders
These are the fears I'm trying to hide
I'm a loose cannon
This is the day the sky turned green
This is the day I saw in my dream
These are the fears I'm trying to hide
These are the tears trapped inside
I'm an urban animal
Still a primitive man
I'm an urban animal
One step from a cannibal
I'm a loose cannon
I'm an urban animal
Still a primitive man
I'm an urban animal
One step from a cannibal
