

# Immortals

## Firewind

Falling down is a child's next move  
Learning how not to fall is life's pursuit  
And the conflict grows All we need is a guiding host  
Time, the thief steals away  
Dreams and hopes  
For a virtuous world God and evil, stalks all the young  
Pray your choices, kingdom come  
Impulsive the youth  
It drives them to prove they know what's better  
But you know the truth  
The wisdom is proof it comes much later
