

# Trapped in the Wake of a Dream

## Mudvayne

Do I deserve these beatings?  
Hating me,  
Well then,  
Cut, cut the noose  
And let me fall away I'm, growing weak and tired  
Of you  
And your little shoving games  
Fucking  
Pushing me.  
You pulled the trigger,  
Trapped in,  
The wake,  
Of your Dream  
You're all killers.  
Always fucking pushing me  
Insulting me  
I've overcome  
I have found the strength of gods in me.  
Crushing  
All unwilling  
This is so unstoppable.  
Hard as nails,  
Hook that holds,  
Reach down and find the strength of many in you. My sanctuary  
Calling my name,  
So I run through  
To the light,  
Weeping through a cloud.  
Darkened,  
By a tainted dream,  
Of me,  
Being pummeled by the tide,  
Crushing,  
Killing me  
But I can't wake up,  
Trapped in,  
The wake of a Dream  
You're all killers.  
Always fucking pushing me,

Insulting me,  
I've overcome,  
I have found the strength of gods in me.

Crushing  
All unwilling,  
This is so unstoppable.

Hard as nails,  
Hook that holds,  
Reach down and find the strength of many in you. Call it,  
Call a truce.

I'm believing  
In it more and more.

Comfort,  
Purge the truth, I'll believe it.  
I'm so weak and sore, shadowed

Hide and seek,  
But you never looked.  
I wait behind the door

Call out,

Bite the hand that is feeding

Compassion no more. I hope I never wake up. Dream-sewing, filters, distort reality of what is mine through light  
this mind awakens

I draw the line from then and now, awake and dreaming, forgotten past future becomes mine. Throw the chains,

All away,  
Take control,  
Of your life.  
Powers known,  
This is my  
Throw the chains,

All away,  
Take control,  
Of your life.  
Powers known,  
This is my Dream  
You're all killers.

Always fucking pushing me,

Insulting me,  
I've overcome,  
I have found the strength of gods in me.

Crushing  
All unwilling,  
This is so unstoppable.

Hard as nails,  
Hook that holds,

Reach down and find the strength of many in you.
