Gepetto

Belly

So he's lying on top again
Just like Gepetto and his doll
And he's running around again
And I can't get him out of this houseAnd if you bore him
You lose your soul to meSo that kid from the bad home
Came over my house again
Decapitated all my dollsAnd if you bore me
You lose your soul to meHey, Gepetto, where'd you put it?
Oh, Gepetto, poor boy
Hey, Gepetto, where'd you put it?
Oh, Gepetto, poor boyAnd if you bore him
You're gonna lose your soulHey, Gepetto, where'd you get to?
Oh, Gepetto, poor boy
Hey Gepetto, where'd you get to?
Oh, Gepetto, poor boyHey, Gepetto, what'd you get me?
Oh, Gepetto, poor boy
So he's lying on top again
Just like Gepetto
