Gepetto

Belly

So he's lying on top again Just like Gepetto and his doll And he's running around again And I can't get him out of this houseAnd if you bore him You lose your soul to meSo that kid from the bad home Came over my house again Decapitated all my dollsAnd if you bore me You lose your soul to meHey, Gepetto, where'd you put it? Oh, Gepetto, poor boy Hey, Gepetto, where'd you put it? Oh, Gepetto, poor boyAnd if you bore him You're gonna lose your soulHey, Gepetto, where'd you get to? Oh, Gepetto, poor boy Hey Gepetto, where'd you get to? Oh, Gepetto, poor boyHey, Gepetto, what'd you get me? Oh, Gepetto, poor boy So he's lying on top again Just like Gepetto
