

# Amnesia (Done Lying Down version)

## Chumbawamba

Goodbye to the summer  
Sold down the river  
Unhappy ever after  
Well did you ever?  
Did you ever reach for the  
Glued down penny?  
Same old joke and it's not funny  
Burns are red bruises blue  
Out with the old cheated by the new  
Do you suffer from long term  
Memory loss?  
I don't remember  
You sing the same old verse  
Stick like glue for better or worse  
What goes around comes around  
Again again again  
This heart pulled apart  
Hydra fighting head to head  
Burns are red bruises blue  
Out with the old cheated by the new  
Do you suffer from long-term  
memory loss?  
I don't remember.  
Amnesia  
Do you suffer from long-term  
Memory loss?  
I don't remember.
