Third Of June

THIRD OF JUNE By Corey Hart

My sweet love is taking time For the truth to set me free I've been running for so long Is there a wisdom I can't see? Still I hear the whispers of Candle crying in the wind Still I'm haunted by the Saounds of a battle I cannont win Then I see the virgin beauty of your eyes Calling me I'm so humbled by This sacred air we breathe Oh, dance with me Under a bright moon Third of June Everything I thought I knew Was a place I've never been As my kingdom crumbles down Inside I feel my life begin Let me paint the colours Let me stand before you with open heart Let me hold you darling closer than these words Oh, dance with me Under a bright moon Third of June Then I see the virgin beauty of your eye Calling me I'm so haunted by this sacred air we breathe Oh, dance with me Under a bright moon Third of June
