

I'll Be Okay

[Amanda Marshall](#)

Advisory - the following lyrics contain explicit language:

It's time to let you go
It's time to say goodbye
There's no more excuses
No more tears to cry There's been so many changes
I was so confused
All along you were the one
All the time I never knew I want you to be happy
You're my best friend
But it's so hard to let you go now
All that could have been I'll always have the memories
She'll always have you
Fate has a way of changing
Just when you don't want it to Throw away the chains
Let love fly away
Till love comes again
I'll be okay Life passes so quickly
You gotta take the time
Or you'll miss what really matters
You'll miss all the signs I've spent my life searchin'
For what was always there
Sometimes it will be too late
Sometimes it won't be fair Throw away the chains
Let love fly away
Till love comes again
I'll be okay I won't give up, I won't give in
I can't recreate what just might have been
I know that my heart will find love again
Now is the time to begin Throw away the chains
Let love fly away
Till love comes again
I'll be okay I'll be okay, I'll be okay
Can't hold on forever, baby

Can't hold on forever, baby
Can't hold on forever, baby, yeah, yeah I'll be okay
