Movin On

NEEDTOBREATHE

I think the time has come
To say goodbye to you
No, I wont take you backoh cause I know
About those other girls
Baby ooooh Oooh does it hurtYou cant have me now
You cant bring me down
Oooh And your wordsThey will tumble down, They wont bring me downAnd all the words you put into my head
I thought you loved me But you lied to me instead
My eyes are open and Im moving on tonightI still remember all the things youve said
I thought you loved me But you lied to me instead
My eyes are open and Im moving on tonightTonight Im moving on Im moving aheadOoh and the words
They cant hurt me now
Cause I know they cant bring me down
Tonight Im moving on Im moving ahead
And all the words you put into my head
I thought you loved me But you lied to me instead
My eyes are open and Im moving on tonight
I still remember all the things youve said
I thought you loved me But you lied to me instead
My eyes are open and Im moving on tonightTonight Im moving on Im moving ahead
Tonight Im moving on Im moving ahead
Tonight Im moving on Im moving aheadIm moving
