Let Me Entertain You

Afterburner

Hell is gone and Heaven's here
There's nothing left for you to fear
Shake your arse come over here now scream
I'm a burning effigy of everything I used to be
You're my rock of empathy, my dear
So come on let me entertain you
Let me entertain you
Life's too short for you to die
So grab yourself an alibi
Heaven knows your mother lied, mon cher
Separate your right from wrongs
Come and sing a different song
The kettle's on so don't be long, mon cher
So come on let me entertain you
Let me entertain you
Look me up in the yellow pages
I will be your rock of ages
Your see through fads and your crazy phases, yea
Little Bo-Peep has lost his sheep
He popped a pill and fell asleep
The dew is wet but the grass is sweet my dear
Your mind gets burned
With the habits you've learned
But we're the generation that's got to be heard
You're tired of your teachers and your school's a drag

You're not going to end up like your mom and dad
So come on let me entertain you
Let me entertain you
Let me entertain you
He may be good he may be outta sight
But he can't be here so come around tonight
Here is the place where the feeling grows
You gotta get high before you taste the lows
So come on
Let me entertain you
Let me entertain you
So come on let me entertain you
Let me entertain you

Come on come on come on come on
Come on come on come on come on
Come on come on come on come on
Come on come on come on come on
Come on come on come on come on
Come on come on come on come on
Let me entertain you
Let me entertain you
Let me entertain you
Let me entertain you
...
