

# Everyone Is Good

## The Roches

Everyone is good I would like to be a person who does not judge  
Free to be me whatever that might be  
I don't want to hold a position, don't want to hold a grudge  
'Cause it seems to be the cause of a lot of misunderstanding  
Heartbreak misery Looking in your eyes, you're different from me  
Why does it have to be that one of us is better  
Can't we both be beautiful even if we don't agree  
Like the flowers in the garden and the animals in the wood  
Each one with a purpose and each one is God Everyone is good  
Everyone is good "Nobody's God", says, "Hate your neighbor"  
Even if the neighbor doesn't believe in God  
Put aside your religion, do your God a favor  
And wouldn't it be something to be loving and kind  
Forgive yourself for everything having once been blind Everyone is good  
Everyone is good Good good, everyone, everyone is good  
Good good, everyone, everyone is good  
Good good, everyone, everyone is good
