

I'm The Kinda

Peaches

I'm the kinda that you wanna
I'm the kinda that you wanna
I'm the kinda that you wanna
I'm the kinda that you wanna
I'm the kinda that you wanna
I'm the kinda that you wanna

I'm the kinda bitch that you wanna get with
I'm the kinda bitch that you wanna get with
I'm the kinda bitch that you wanna get with

Can you handle it?

I'm the kinda bitch that you wanna get with
I'm the kinda bitch that you wanna get with
I'm the kinda bitch that you wanna get with

Sodom and Gomorrah, today and tommora
In my aura, shines like menorrah
My Labia Majora, (that's in the whora)
Soft as angora, you can't ignore-ah it

I'm the kinda that you wanna
I'm the kinda that you wanna
I'm the kinda that you wanna

You wanna

I'm the kinda bitch that you wanna get with
I'm the kinda bitch that you wanna get with
I'm the kinda bitch that you wanna get with

Predator games, the human remains
A world provider, he's standing beside her
Rockin' the fox, just gettin' my box
Give it a whirl to my urban cowgirl

Knockin' you out like Rocky Balboa
drown you in a flood deeper than Noah

Knockin' you out like Rocky Balboa
Drown you in a flood deeper than Noah

I'm the kinda bitch that you wanna get with
I'm the kinda bitch that you wanna get with
I'm the kinda bitch that you wanna get with
I'm the kinda bitch that you wanna get with
I'm the kinda bitch that you wanna get with
I'm the kinda bitch that you wanna get with

Sodom and Gomorrah, today and tommorra
In my aura, shines like menorrah
My Labia Majora, dancin' the Hora
Soft as angora, you can't ignore-ah it
Predator games , the human remains
World provider, he's standing beside her
Rockin the fox, just gettin' my box
Give it a whirl to my urban cowgirl

Knockin' you out like rocky balboa
Drown you in a flood deeper than Noah...
