Journey From Eden

Steve Miller Band

Listen to the blackbird sadly sing
For you, for me
Look at all the pointless suffering
HumanityI am dreaming of a garden
And I see the midnight flight
Of a blackbird, through my vision
To the light
To the lightShe is standing in the doorway
With the love light in her eye
And she beckons me to journey
Through the night
Through the nightListen to the blackbird sadly sing
For you, for me
Look at all the pointless suffering
HumanityTo the people, who are naked
As they breathe in amber haze
Wandering endlessly narcotic
Through the maze
Through the mazeTo the leaders, who are timeless
As they flaunt their warlike ways
Flying endlessly o'er the wasteland
Seeking praise
Seeking praiseListen to the blackbird sadly sing
For you, for me
Look at all the pointless suffering
Humanity
