

The Universal (Live In Hyde Park, London 3/7/09)

Blur

This is the next century
Where the universal's free
You can find it anywhere
Yes, the future has been sold
Every night we're gone
And to karaoke songs
How we like to sing a long
Although the words are wrong
It really, really, really could happen
Yes, it really, really, really could happen
When the days they seem to fall through you, well just let them go
No one here is alone, satellites in every home
Yes the universal's here, here for everyone
Every paper that you read
Says tomorrow is your lucky day
Well, here's your lucky day
It really, really, really could happen
Yes, it really, really, really could happen
When the days they seem to fall through you, well just let them go
Well, it really, really, really could happen
Yes, it really, really, really could happen
When the days they seem to fall through you, well just let them go
Just let them go
