

Thru the Eyes of Ruby

Smashing Pumpkins

Wrap me up in always
And drag me in with maybes
Your innocence is treasure Your innocence is death
Your innocence is all I have
Breathing underwater
And living under glass And if you spin your love around
The secrets of your dreams
You may find your love is gone
And is not quite what it seemed To appear to disappear
Beneath all your darkest fears I believe in never, I believe in all the way
But belief is not to notice
Belief is just some faith
And faith can help you to escape And with this ring I wed thee true
And with this ring I wed thee now
And with this ring I play so dead
But no one's asking for the truth
So let me tell you If you spin your love around
The secrets of your dreams
You may find your love is gone
And is not quite what it seemed To appear to disappear
Beneath all your darkest fears To the revelations
Of fresh faced youth
No one will come to save you So speak your peace
In the murmurs drawn
But youth is wasted on the young Your strength is my weakness
Your weakness my hate
My love for you just can't explain
Why we're forever frozen, forever beautiful
Forever lost inside ourselves The night has come to hold us young
The night has come to hold us young
The night has come to hold us young The night has come to hold us young
The night has come to hold us young
The night has come to hold us young
