Peek A Boo

Christian Death

Pieces of flesh skin bone and blood
Strewn forty feet in all directions
Though police can find no evidence
You'll still be mine for resurrectionI come to you in sheep's clothing
The ways of man are before my eyes
I lead you into temptation
I see your sins, I know all your liesPeek a boo!
I see you!
(x4)
I am the lamb eating vulture
I eat the thief and the necrophile
I see the corn where children died
And the ones you've killed
Was it all worthwhilePeek a boo!
I see you!
(x4)
The end of things is close at hand
Defile the saints kill the Nazarene
The Son of Sam knows who I am
I know what you've done
I see what you've seenPeek a boo
I see you
