

What A Wonderful World

The Moffatts

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took
But I do know that I love you
And I know that if you love me, too
What a wonderful world this would be
Don't know much about geography
Don't know much trigonometry
Don't know much about algebra
Don't know what a slide rule is for
But I did know that one and one is two
And if this one could be with you
What a wonderful world this would be

Now I don't claim to be an 'A' student
But I'm tryin' to be
For maybe be being an 'A' student, baby
I can win your love for me
Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took
But I do know that I love you
And I know that if you love me, too
What a wonderful world this would be
But I do know that I love you
And I know that if you love me, too
What a wonderful world this would be
