

Camouflage

Agents Of The Sun

Justice comes into your life and then you?ll know
You?ll know
 Justice comes, justice let it come
 I get the justice coming for you and I
 I get the joy joy when it comes my joy, I get the joy
 When justice comes to everyone
 Why does a willow weep when all I see?s a tree grow
 All in camouflage everyone that I know
 We walk along like sequel, you?re a cameo
 You?ve got your joy
 So find the people of your own
 I?ll take in anyone who?s taking off their camouflage
 Go on, check it
 I?ll take in anyone who?s messing up the sabotage
 To yourself don?t destroy
 I?ll take in anyone who?s taking off their camouflage
 Gimme the ball, gimme it all, big orange ball
 Roll up over fields
 I shame the Devil 'cause I throw it down so hard
 I rock the big line, I rock the back yard
 Be a dream in color even on a winter?s night
 Thinking George Seurat, afternoon bathed in light
 Get your joy no matter who says it?s right
 Their cover?s blown
 Find the story of your own
 Check it
 I?ll take in anyone who?s taking off their camouflage
 Go on check it
 I?ll take in anyone who?s messing up the sabotage
 To yourself don?t destroy
 I?ll take in anyone who?s taking off their camouflage
 Okay, okay, okay
 In the geometry of, prism of my of my eye will flow
 I ask the questions and wonder why
 Only to roll in a big arrange ball that floats in a summer sky
 Take it up from the underground, proactive and soul
 Play a vital roll that?s what you are
 Check it, check it, check it
 I?ll take in anyone who?s taking off their camouflage

Go on check it
I'll take in anyone who's messing up the sabotage
To yourself don't destroy
I'll take in anyone who's taking off their camouflage
Yeah
