

Holdin' (feat. Marie Kim)

BAILE

Holdin' on

Holdin' on

Holdin' on

Holdin' on (left me holdin' on)

Holdin' on (left me holdin' on)

I feel your hand in mine
But I keep losing grip
Never stay stuck in time
You're the ghost in my trip

It doesn't matter how I avoid this deja vu

I see me with you

I know we'll never meet again but I would like to
To be with you

And I'm...

Holdin' on

Holdin' on

Holdin' on (left me holdin' on)

Holdin' on (left me holdin' on)

I feel your hand in mine
But I keep losing grip
Never stay stuck in time
You're the ghost in my trip

It doesn't matter how I avoid this deja vu

I see me with you

I know I'll never be again but I would like to
To be with you

And I'm...

Holdin' on

To nothing you, left me holdin on

Left me holdin on to you

Holdin on

To nothing you, left me holdin on
Left me holdin on to you

Holdin on (left me holdin on)
Holdin on (left me holdin on)

You belong to nothing
Nothing
You belong to nothing
You belong to nothing
Nothing
You belong to nothing

I feel your hand in mine
But I keep losing grip
Never stay stuck in time
You're the ghost in my trip

It doesn't matter how I avoid this deja vu
I see me with you
I know I'll never be again but I would like to
To be with you

And I'm...

Holdin' on
To nothing you, left me holdin on
Left me holdin on to you
Holdin on
To nothing you, left me holdin on
Left me holdin on to you

You belong to nothing
Left me holdin on to nothin
You belong to nothing
I love only you
You belong to nothing
You know you left me holdin on
You belong to nothing

Holdin' on
Holdin' on
Holdin' on (left me holdin' on)
Holdin' on (left me holdin' on)
