

Prisoners of War

Crown the Empire

Am I the prisoner?!

I am a ghost, but if only you remember,
so save your prayers and promises for something better.
My hands are tied, stuck in this room forever,
I scream but only echoes care to answer.

We waged our war, but failed to find our hope
We made our world, but lost our way back home
Will we fight through the storm or stay forever more
The prisoners of war
Am I the prisoner?

I sold my soul
And traded my wings for glory
But when I close my eyes I hear the angels sing to me
(I hear the angels sing to me)

We waged our war, but failed to find our hope
We made our world, but lost our way back home
Will we fight through the storm or stay forever more
The prisoners of war
Am I the prisoner?

We live to exist
But are we alive?
We can't run away
How will we survive?
I'm losing my grip
I can't wait to die

There's no more words for what I've done!
I find myself behind the sun!

We have to die
To feel like we're alive

We waged our war, but failed to find our hope
We made our world, but lost our way back home
Will we fight through the storm or stay forever more

The prisoners of war
Am I the prisoner?!

I am a ghost
but only a few remember

I am a ghost
but only a few remember
Will you remember me?!
