Heavy Rotation

Plain White T's

Oh Jackie
You've got a lot to learn
I'm tired of bracing
Every bridge you burn
Why oh why
Look at the lines on my face
Open your arms embrace me
Jackie
Jackie was the brown eyed beauty
Queen of Riverside
When she come to town them boys
All buzz around the hive
If you wanna taste the honey
Than you better realize
You'll get stung
Once or twice
All her friends live up on the west side
Do you wanna go?
They've got songs in heavy rotation
On the radio
She knows everybody
No matter where she goes
She's got friends in heavy rotation
On the radio
I recall the night she left me
Standing in the rain
Begging Jackie please tell me there's
Something I can say
"Either roll with the punches
Or get out of the way"
That's what she said
Never knowing
Oh, I could change
Where I'm going
All her friends live up on the west side
Do you wanna go?
They've got songs in heavy rotation
On the radio
She knows everybody

No matter where she goes
She's got friends in heavy rotation
On the radio
You can try
To get to know her
Just by reading all the writing on the wall
She's always right
Around the corner
She's got friends in heavy rotation
On the radio
Nanananana Nanananana Nanananana
Nanananana Nanananana Nanananana
Nanananana Nanananana Nanananana
Nanananana Nanananana
You can try
To get to know her
Just by reading all the writing on the wall
She's always right
Around the corner
All her friends live up on the west side
Do you want to go?
They've got songs in heavy rotation
On the radio
