

Heart Like Yours

Willamette Stone

Breathe Deep, breathe Clear
Know that I'm here, know that I'm here
Waiting
Stay strong, stay gold
You don't have to fear, you don't have to fear
Waiting

I'll, see you soon, I'll see you soon

How could a heart like yours
Ever love a heart like mine
How could I live before
How could I have been so blind
You opened up my eyes
You opened up my eyes

Sleep sound, sleep tight
Here in my mind, here in my mind
Waiting
Come close, my dear
You don't have to fear, you don't have to fear
Waiting

I'll, see you soon, I'll see you soon

How could a heart like yours
Ever love a heart like mine
How could I live before
How could I have been so blind
You opened up my eyes
You opened up my eyes

Hold fast, hope
All your love is all I've ever known
Hold fast, hope
All your love is all I've ever known

How could a heart like yours
Ever love a heart like mine
How could I live before

How could I have been so blind
You opened up my eyes
You opened up my eyes
You opened up my eyes
