

# Sayido

## Musiq Soulchild

I'm your canvas to your paintbrush  
Paint me a picture of you  
So when you're broken  
I can reference that my affection be true

And let me put it all together  
It's been good let's make it better  
In love forever if it's alright with you  
And say I do, I do, I do  
This is my vow to you  
Say I do

So if we were famous  
Or just nameless  
Girl it won't matter to me  
And if it's the cattle or the good life  
I mean wood or the hood  
Girl it's whatever you see

And let me put it all together  
It's been good let's make it better  
In love forever, if it's alright with you  
And say I do, I do, I do  
This is my vow to you  
Say I do

See now with one knee down on the pavement  
I pray to God that you will agree  
To what I'm saying  
I got my arms outstretched to the sky  
With a shiny new ring in my hand and a beating in my chest  
That's getting heavier with every second passing  
Cause I'm asking for the perfect gift

So we can put it all together  
It's been good let's make it better  
In love forever if it's alright with you  
And say I do, I do, I do  
This is my vow to you  
Say I do

Baby we can put it all together  
It's been good let's make it better  
In love forever if it's alright with you  
I do, I do, I do  
This is my vow to you  
Say I do
