39

Ingram Hill

She's 39, but she still looks young
Not very young, but a lot of fun
She's my 39 lady in the sun
49 and I'm feelin' fine
In the sun that's a lot of fun
Drinkin' mai tais, kickin' back with my flip-flops on
I'm wearin' socks and my toe is tight
I think about her every damn night
39 year-old lady, she looks pretty good to me
I'm 49, drinkin' white wine
Not goin' out with no 19 year-old chickities no more
From now on I got my 39 year-old whore
Oh!
Don't you call her a whore
I'll fuckin' tear your esophagus out
She's sweet and she's getting old
And she's mine, to have and to hold
She needs a dentist appointment quick
I pay for it and she sucka my dick
When we text each other, I fiddle with my anus
I stick the finger in it!
Then I fuckin' didariddly doo
And I fuckin' gots to spew
Upon my belly, dripped upon my shoe

Get me a tissue
Chardonnay in the setting sun
She's 39, but she's number one
Get the apartment just right, she's comin' over tonight
I like it cause I don't feel scared
She's 39, I'm in my underwear
Here she comes, comin' down the hallway
She's knockin' on my door!
I open the door
There she is, not too bad, good enough
39 year-old lady, young enough for me
Boobies droopin', but she's good enough for me
Trimmed her pussy hairs, good enough for me
Mature woman, she's my lady

Uh huh, uh huh, ooh yeah
She ain't gonna be fuckin' around with no other guys
Nanananah-nah, she's mine, she's my special lady
Special lady
We can see a fuckin' movie
And agree it's a total piece of shit
Comfortable shoes, never lose
We can fuckin' talk about some things
She don't need no diamond rings
She don't need no diamond rings
