Love him Like I do

Verse 1:
[Ruben]Givin? honor to first
The pastor, the church
My folks and friends
Listen to words
See God save me (yeah)
From myself when no one else was around
And it was only by his grace
His mercy, his favor
Cause I know I don?t deserve
All the love he show me (oh)
How he let me know (oh)
he never gonna leave my side
[Chorus]That?s why
I love him like I do iiiii(x2)
That?s why I love him like I do
iiiii (x3)
That?s why I love him like I do iiiii
I love him like I do iiiii
That?s why I love him like I do
iiiii (x3)
Verse 2:
[Deitrick]Dee Dee
See I gotta testimony
How to save my soul (soul)
When I was just a sinner left in the cold (cold)
Gave me a second chance
Save me from myself

Came to my rescue when I need help
Do you wanna know why I love him like I do (like I do)
Cause when my enemy said I was through
He took me from the bottom

And put me on the top
He laid his hands on me
And now I can?t be stop
That?s why
I love him like I do iiiii(x2)
That?s why I love him like I do
iiiii (x3)
That?s why I love him like I do iiiii
I love him like I do iiiii
That?s why I love him like I do
iiiii (x3)
Bridge
[MaryMary]Somebody told me
That we over come by our testimonies
But you wouldn?t believe
How doubt and fear
Use to paralyze me
But God hands lead me through a test
And he brought out the very best in me
And now I?ll never forget
To tell the world
What you mean to me
(yeah yeah yeah)
That?s why
I love him like I do iiiii(x2)
That?s why I love him like I do
iiiii (x3)
That?s why I love him like I do iiiii
I love him like I do iiiii
That?s why I love him like I do
iiiii (x3)
That?s why I love him like I do
Love him like I do
(x7)
Love him like I(x4)
That?s why I
