My Girl's Retro

Chixdiggit!

My girl's retro
My girl's retro
My girl's retroMy girl's retro
My girl's retro
My girl's retroScooby-Doo lunch pail in her hands
Just like the six million dollar man
Looks good in Adidas gazelles
Ass like grand master Melle-MelMy girl's retro
My girl's retro
My girl's retroMy girl's retro
My girl's retro
My girl's retroWears a silver jacket and silver pants
Loves to watch TV and loves to dance
I know all the old TV shows
Just because my girl's retroTry to catch up to 20 years ago
Just like her favorite TV shows
Looks good in Adidas gazelles
Ass like grand master Melle-MelMy girl's retro
My girl's retro
My girl's retro
