

Quit Actin'

Ray J ft. R. Kelly & Shorty Mack

Quit actin' like the blue ain't ice
Quit frontin' like the whips ain't tight
(drinks in the izzle, don't give a fizzle, hands in the izz-air, front to the whizz-air)

I gotta lotta me n a half n I'm wots goin' down tonight
Bet I'm gon' pop dat cris tonight
Bet shawty comin out dem clothes tonight
Hit da belly, slap da skin all night
Drop da top hit da club all night
Da section where all da thugz belike
Wots up mama? watcha doin tonight?
How would you like a dude to be forward tonight?

Its a hip-hop breaker when you do dat booty-shaker

Be gud to you're man but I no she a faker
Cum holla at you're boy I'm about dat ???

[Chorus]

Quit actin' like the blue ain't ice

Quit actin' like you don't see me
When I'm rollin' up in da SUV
