## I'm Not Ready

## **Keith Sweat**

You know what you wanna do

See, I'll never ever go nowhere yet

Think of all the timesBaby, we've been freakin' from dusk till dawn

And I'm still not ready to go on

That's the way it flows when it gets real good

Back to back flexin' my manhood[Oh, baby] Why does it got to be so good

[Oh, baby] Girl, you know you got me hooked

[Oh, baby] Girl, you know you got me shook

[Oh, baby] And I ain't goin' nowhereI'm not ready to end this freaky affair (Girl, I'm not ready)

I'm not ready to go nowhere

I'm not ready to get my clothes and go

Girl, I'm ready to start over againI wanna go on and on and on and on

I'm not ready to end this freaky affair

I wanna go on and on and on and on

Girl, I'm ready to start over againThis freaky escapade has got me going

It gets better when it keeps on flowin'

I broke you off all night and I'm not tired

Bring your body here and take me higher[Oh, baby] Why does it got to be so good

[Oh, baby] Don't you know you got me hooked

[Oh, baby] Girl, you know you got me shook

[Oh, baby] And I ain't goin' nowhereI'm not ready to end this freaky affair (No, I'm not ready)

I'm not ready to go nowhere (I'm not ready, yeah)

I'm not ready to get my clothes and go

Girl, I'm ready to start over againI wanna go on and on and on and on (I'm ready to go on and on, babe)

I'm not ready to end this freaky affair

I wanna go on and on and on and on (On and on)

Girl, I'm ready to start over againBaby, we've been at it all night long

(All night long)

I'm not ready

(Yeah) to end it while it's still strong

(While it's still strong, baby)

As I look and see the sunshine

(As I look) through the window

(Yeah, yeah, yeah, yeah)

I know I should be gone

(Should be gone) but I can't let go

(But I can't let go)I'm not ready to end this freaky affair (I'm not ready)

I'm not ready to go nowhere

I'm not ready (I'm not ready, baby) to get my clothes and go

Girl, I'm ready to start over againI wanna go on and on and on and on (I'm not ready, baby)

I'm not ready to end this freaky affair

I wanna go on and on (On and on) and on and on (And on and on)

Girl, I'm ready to start over again (Yeah...)I'm not ready to end this freaky affair (See, I'm not ready)

I'm not ready to go (Uh) nowhere (To go nowhere)

I'm not ready to get my clothes and go
(I don't want to get my close, no)
start over again (Girl) I wanna go on and on and

Girl, I'm ready to start over again (Girl)I wanna go on and on and on and on I'm not ready to end this freaky affair
