

It Had To Be You

Harry Connick, Jr.

It had to be you
It had to be you
I wandered around and finally found The somebody who could make me be true
Could make me be blue or even be glad
Just to be sad just thinking of you Some others I've seen might never be mean
Might never be cross or try to be boss
But they wouldn't do
For nobody else gave me a thrill With all your faults I love you still
It had to be you, wonderful you
It had to be you
