

# Liquid Love (feat. Chris Turner)

## Snarky Puppy

Yeah babe  
Ohh yeah babe  
Huhh yeah  
HmMMM yeahh  
Yeah  
I said all I, all I need  
Is a taste of your love babe  
C'mon give it to me  
All I, all I need  
Is your liquid love babe  
C'mon give it to me  
Ohh I  
I said all I  
I said all I  
I said all I  
Smooth, to the last drop  
Gotta sip sip, to savor the taste  
Oooo, I don't want to come down,  
I'm, flying high,  
Over the ground  
Something bout your flavor  
Makes my taste buds get a little bit crazy  
Givin' me, the pleasure babe  
Must've been all of your treasure  
C'mon and fill me up  
Cuz I need more in my cup  
Come on and fill me up  
Cuz I need more in my cup  
All I, all I need  
Is a taste of your love babe,  
C'mon give it to me  
All I, all I need  
Is your liquid love babe,  
C'mon give it to me  
All I  
I said all I  
I said all I  
All I  
All I, all I need

Is a taste of your love babe,  
C'mon give it to me  
All I, all I need  
Is your liquid love babe,  
C'mon give it to me  
Sweet taste of your lips  
Makes me savor every grip  
Oooo, I don't want to come down,  
I'm, flying high,  
Over the ground  
Ooo, you got me lickin my fingers  
I want to get every ounce within you baby,  
When I'm with you, I feel no pressure  
All you give me is pleasure  
C'mon and fill me up  
Cuz I need more in my cup  
C'mon and fill me up  
Cuz I need more in my cup  
All I, all I need  
Is a taste of your love babe,  
C'mon give it to me  
All I, all I need  
Is your liquid love babe,  
C'mon give it to me  
All I  
I said all I  
I said all I  
I said all I  
I said all I,  
Want is you  
All I, all I need  
Is a taste of your love babe,  
C'mon give it to me  
All I, all I need  
Is your liquid love babe,  
C'mon give it to me  
All I  
I said all I  
I said C'mon and fill me up  
Cuz I need more in my cup  
C'mon and fill me up  
I need more in my cup  
All I  
All I  
All I

Yeah  
Yeah  
Want you  
Need you  
Want, want, want  
All I, all I need  
Is a taste of your love babe,  
C'mon give it to me  
All I, all I need  
Is your liquid love babe,  
C'mon give it to me  
All I, all I need  
Is a taste of your love babe,  
C'mon give it to me  
All I, all I need  
Is your liquid love babe,  
C'mon give it to me  
All I, all I need  
Is a taste of your love babe,  
C'mon give it to me  
All I, all I need  
Is your liquid love babe,  
C'mon give it to me  
All I, all I need  
Is a taste of your love babe,  
C'mon give it to me  
All I, all I need  
Is your liquid love babe,  
C'mon give it to me  
All I, all I need  
Is a taste of your love babe,  
C'mon give it to me  
All I, all I need  
Is your liquid love babe,  
C'mon give it to me  
Give it to me
