

# I Want To Know What Love Is

Clay Aiken

[originally performed by Foreigner] I gotta take a little time

A little time to think things over

I better read between the lines

In case I need it when I'm older

Now this mountain I must climb

Feels like a world upon my shoulders

I through the clouds I see love shine

It keeps me warm as life grows colder

In my life there's been heartache and pain

I don't know if I can face it again

Can't stop now, I've traveled so far

To change this lonely life

I wanna know what love is

I want you to show me

I wanna feel what love is

I know you can show me

I'm gonna take a little time

A little time to look around me

I've got nowhere left to hide

It looks like love has finally found me

In my life there's been heartache and pain

I don't know if I can face it again

I can't stop now, I've traveled so far

To change this lonely life

I wanna know what love is

I want you to show me

I wanna feel what love is

I know you can show me

I wanna know what love is

I want you to show me

And I wanna feel, I want to feel what love is

And I know, I know you can show me

Let's talk about love

I wanna know what love is, the love that you feel inside

I want you to show me, and I'm feeling so much love

I wanna feel what love is, no, you just cannot hide

I know you can show me, yeah

I wanna know what love is, let's talk about love

I want you to show me, I wanna feel it too  
I wanna feel what love is, I want to feel it too  
And I know and I know, I know you can show me  
Show me love is real, yeah  
I wanna know what love is...
