

# Meaningless Movements (Reissue)

## Sepultura

Born with remorse  
To a cold barren place  
Battle between minds  
Hungry for words of prey  
Contradictory truth  
Secrets in lies  
Meaningless  
Movements  
Icons reviews their sins  
Faith cheaper than thou  
Doubting your ideals  
Torment shreds your brain  
Fearful fantasy  
Respects the unknown  
Turning your heart red  
A requiem to celebrate, you  
Words I can not understand  
Shrieks in my moment of pain  
Imposter hides behind a mask  
My words against your lies  
Turn my head  
To see what I know  
A shadow without form  
Painted on the wall  
Born with remorse  
To a cold barren place  
Battle between minds  
Hungry for words of prey  
One moment's mistake  
False steps in the ground  
Laws made by the blind  
Ruling reign of light  
Contradictory truth  
Secrets in lies  
Meaningless  
Movements
