Ghostwriter

The Arcana

Iâ€™m tomorrowâ€™s ghostwriter, Iâ€™m tomorrowâ€™s ghostwriter â€¦

Iâ€™m tomorrowâ€™s ghostwriter, expect to see me at your door
And with my typewriter, Iâ€™ll make you money and then more
Iâ€™m tomorrowâ€™s ghostwriter, if you want to put your mind to bed
Itâ€™s going to be an all-nighter, I can always make up things instead

Iâ€™m tomorrowâ€™s ghostwriter, Iâ€™m tomorrowâ€™s ghostwriter â€¦

Iâ€™m tomorrowâ€™s ghostwriter, Iâ€™ve come to save your face again
But if you think youâ€™re brighter, you can always try to buy my pen
Itâ€™s your friendly ghostwriter, you must have heard of me before
I can make you seem nicer, be careful not to go too far

Iâ€™m tomorrowâ€™s ghostwriter, Iâ€™m tomorrowâ€™s ghostwriter â€¦
Iâ€™m tomorrowâ€™s ghostwriter, Iâ€™m tomorrowâ€™s ghostwriter (fade out)
