

# Testify

## Common

She walk into the court her knees buckle  
Saying for a man to survive he need hustle  
Seen and been through struggle her whole life  
Made a transition from being his ho to his wife  
Stifling, the night upend the ATF bust in  
Her daddy was a hustler so she love them  
Looked at the jury how can they judge him, she screamed Before you lock my love away, before you lock my  
love away  
Before you lock my love away, before you lock my love away  
Please let me testify Fear in her chest her face in tears, had her mans back he was facing years  
In her name though the place was his  
They trying to take everything except the kids  
But years she been through scuffles and fights  
While he trying to hustle that white  
Up all night wondering if he's alive  
Seeing him tried she bubbled inside and screamed Before you lock my love away, before you lock my love away  
Before you lock my love away, before you lock my love away  
Please let me testify The judge yelled for order court reporter makin' her words shorter  
His lawyer sat next to him, she could see how the trial was affecting him  
It hurt for her eyes to connect with him, using her lies for protecting him  
They arrested him for murder, and gun possession  
As they read back her confession she screamed Before you lock my love away, before you lock my love away  
Before you lock my love away, before you lock my love away  
Please let me testify The court awaited as the foreman got the verdict from the bailiff  
Emotional outbursts tears and smeared makeup  
He stated, he was guilty on all charges  
She's shaking looking like she took it the hardest  
A spin artist, she brought her face up laughing  
That's when the prosecutor realized what happened  
All that speaking her mind testifying and crying  
When this bitch did the crime  
The queenpin Before you lock my love away, before you lock my love away  
Before you lock my love away, before you lock my love away  
Please let me testify You accuse me of a, you accuse me of a, you accuse  
Please let me testify, you accuse me of a
