Moonwalkin

Locash

girl I admit it, I didn't make it to far no I can't quit it, I want you back in my arms no I want you so bad that it hurts, throwing the shoes in reverse you know I can't walk away.
girl you got me moonwalking yeah I'm moonwalking straight back to you on a cloud of 2 flying through the sky baby midnight Rockin.
girl you got Me moonwalking yeah I'm moonwalking
girl I can't hide it.
already losing my mind don't care who's watching I'm all about you tonight nothing going to get in my way, sliding back like MMJ.
one kiss is all that it takes
girl you got me moonwalking yeah I'm moonwalking straight back to you on a cloud of 2 flying through the sky baby midnight Rockin.
girl you got Me moonwalking yeah I'm moonwalking
got my heart beat like a Back
Beat jumping got my feet moving like I can't stop them you know I can't walk away
girl you got me moonwalking yeah I'm moonwalking straight back to you on a cloud of 2 flying through the sky baby midnight Rockin.
girl you got Me moonwalking yeah I'm moonwalking
