

Fresh Static Snow (Sweekuh Remix)

[Porter Robinson](#)

You fit perfectly to me in the loneliness, melt this curse away

Though I'll never know your name I'll cry for you the same

You fit perfectly to me in the loneliness, melt this curse away

Though I'll never know your name I'll cry for you the same

You fit perfectly to me in the loneliness, melt this curse away You fit perfectly to me in the loneliness, melt this
curse away

Though I'll never know your name I'll cry for you the same You fit perfectly to me in the loneliness, melt this
curse away

Though I'll never know your name I'll cry for you the same Melt this curse away

Cry for you the same
