

# That's All

Steve Tyrell

I can only give you love that lasts forever  
And a promise to be near each time you call  
And the only heart I own, for you and you alone  
That's all, that's allI can only give you country walks in springtime  
And a hand to hold when leaves begin to fall  
And a love whose burning light will warm the winter's night  
That's all, that's allThere are those, I am sure who have told you  
They would give you the world for a toy  
All I have are these arms to enfold you  
And a love time can never destroyIf you're wondering what I'm asking in return, dear  
You'll be glad to know that my demands are small  
Say it's me that you'll adore for now and ever more  
That's all, that's all
