What This Means

Verse

Advisory - the following lyrics contain explicit language:

Sometimes I feel like I'm the only one
Who doesn't give up on what this means
I know I will stay this course of path
No matter how hard I'm pushed away
This means so much more to me
Than just a shallow promise
This means the fucking world
This is something I believe in I BELIEVE
This is something that won't change
THAT WON'T CHANGE
No matter what gets in my way IN MY WAY
I'm staying on this road I've paved
I see kids marching a fashion parade
Trying to impress us all with empty moves
Folded arms in your tough guy stance
Completely missing what all this means
WE WANT MORE to me this is a movement
WE WANT MORE not just a social scene
WE WANT MORE
WE WANT MORE
TO me this is a movement not just a social scene
