

# I Wanted Everything

[Kurt Vile](#)

I heard about the Easter bunny presents under a Christmas tree  
It was dreaming and fantasy there was no Mom or Daddy  
I wanted everything, I wanted everything, I wanted everything  
I had the world on my shoulder but I was getting older  
Knew I was ready for it some kind of home employment  
I wanted everything, I wanted everything, I wanted everything  
All day working on a truck bringing the groceries up  
Not much of a salary, no tip for the delivery

I wanted everything, I wanted everything, I wanted everything  
There's no success for me, involved in a robbery  
There's money in the supermarket and I'm goin' in after it  
I wanted everything, I wanted everything, I wanted everything  
I wanted everything, I wanted everything  
I wanted everything, I wanted everything  
I wanted everything, I wanted everything
