Fat Cat

Badlands

Welfare, move instead
Tell'm that she can't go on
Sad time, won't leave
Feels that ya can't go on
You save your Johnny child
In this troubled world
Better hold on to love
Stealin' time don't look behind
Gotta get out, gotta get out, gotta get out
Before you drop now
Money man, said he's got the plan
Fat cat watches his stuff
Crawl the ladder, always gettin' fatter
Feel that ya can't go on
You save your Johnny child
From his troubled world
Better hold on to love
Stealin' time, tryin' to wait in line
Gotta get out, gotta get out, gotta get out
hahahaha, ha
Get on out, boy before ya drop
Woo hoo
Yeah
Still alone, untimely
One time that you feared
Still wanting and tired of love
Feel that ya can't go on
You save your Johnny child
In this troubled world
Better hold on to love
Stealin' time
Still I wait in line
Gotta get out, gotta get out, gotta get out
Gotta get out, gotta get out, gotta get out
Money bleeds
Crazy world
Yeah, yeah
Woo hoo, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Aw hoo!
