

# Round and Round (Remastered)

## Spandau Ballet

I don't have to be so wise  
You're just my fantasy and I will fantasize  
Something more or less to make this things started  
We're the artisans and we've been crafted I wanna be your magical mystery  
I wanna be your final history  
This is the news Nothing's ever been so wild  
All that I get to do is what I give to you  
This is all about the circles we've found  
And through the ups and downs it goes round Oh, I was just beginning to grow strong  
She was only eighteen summers long  
Oh, we were the news Round and round it goes  
And oh don't you know  
This is the game that we came here for  
Round and round it goes  
And oh don't you know Oh I don't have to be so wild  
You're just my fantasy and I will fantasize  
Something more or less to make this things started  
We're the artisans and we've been crafted I wanna be your magical mystery  
I wanna be your final history  
This is the news Round and round it goes  
And oh don't you know  
Ooh, this is the game that we came here for  
Round and round it goes  
And oh don't you know  
This is the game that we came here for Round and round it goes  
And oh don't you know  
Ooh, this is the game that we came here for  
Round and round it goes  
And oh don't you know You're just my fantasy and I will fantasize I wanna be your magical mystery  
I wanna be your final history  
This is the news of my life Oh I was just beginning to grow strong  
She was only eighteen summers long  
We were the news  
We were the news  
We were the news Round and round it goes  
And oh don't you know  
This is the game that we came here for  
Round and round it goes  
And oh don't you know Round and round it goes

And oh don't you know  
Ooh, this is the game that we came here for  
Round and round it goes  
And oh don't you know  
Round and round it goes  
Round and round it goes  
And oh don't you know
